HENRY FORD

How many people *watched you* *work* this week?

You worked hard. Almost nobody saw it. That is the whole problem.

THE SLEEPLESS

VIDEO MARKETING SYSTEM

Appointments while you sleep. Your VSL and your Stories, **selling you around the clock.**

FOR YOU. FOR THIS ROOM.

Video is where your next *clients already are*.

- 1 Attention lives on video.** Your buyers and sellers scroll it every night.
- 2 Most agents never post.** Camera-shy loses to camera-ready, every time.
- 3 You do not need to go viral.** You need the right 300 people to see you working.

Two systems, built this week, running for the next **90 days**.

The data says: *this works.*

91% of businesses now market with video. **It is the standard, not the trend.**

83% of marketers say video **directly increased their sales.**

73% of homeowners are more likely to **list with an agent who uses video.**

47% of younger buyers **found their agent on social media.**

And only about **1 in 4 agents** does video consistently. **That is your opening.**

Two systems. *Ninety days.*

Both cost nothing to run. Both compound. **Both start this week.**

The VSL: your *24/7 salesperson*.

A **Video Sales Letter**: made once, everywhere you have a link, **working every single day**.

The script, *drawn out*.

Talk to **one person**, not an audience. One ask, one button, **under five minutes**.

SYSTEM 1 · THE SCRIPT, APPLIED

Same five beats, *your niche.*

Example niche: first-time buyers in your town. Word for word, here is the whole VSL.

1 · HOOK *"If you're renting in Maple Grove and wondering if you could actually own, this is for you."*

2 · PROBLEM *"Every month you wait, you're paying someone else's mortgage."*

3 · STORY + PROOF *"Last year I helped 14 renters become owners, most with less down than they thought they needed."*

4 · THE SHIFT *"I run a first-home plan: budget, lender, and a 90-day path, before we ever tour a house."*

5 · ONE ASK *"Tap the button below and grab 15 minutes with me this week."*

Swap the niche, keep the beats: **luxury, relocation, listings, investors.** The beats never change.

The whole studio, *drawn to scale.*

Done beats perfect. Script it tonight, film it this week, post it Friday.

Showings Stories, *start to finish.*
