your goals.
You fall to the level of your
systems.*

— JAMES CLEAR

— FOR YOU. FOR THIS ROOM. —

**A niche gets you *found*.
An offer gets you *chosen*.**

LAST WEEK • BE FOUND

A clear niche makes AI pick you.

- **Person** — the one human you serve.
- **Problem** — the real pain you solve.
- **Process** — your named Mechanism for solving it.

THIS WEEK • BE WORTH IT

A strong offer makes them say yes.

- **Promise** — the outcome, minus the dread.
- **Container + Guarantee** — finite and safe.
- **Pillars** — proof you can deliver.

A niche without an offer is just a label. *Your offer is what turns "I like her" into "I'll pay her."*

— A 3-WEEK BUILD —

The *Positioning* Series.

WEEK 01

Niche

WED SEP 30

Person, Problem, Process. You locked the human you serve.

● YOU ARE HERE

WEEK 02

Offer

WED OCT 7

Promise · Container · Guarantee · Pillars.
Wrap your Niche in an Offer.

WEEK 03

Mechanism

WED OCT 14

The six-line story that explains why your Mechanism works when nothing else did.

— BEFORE THE FRAMEWORK —

What's inside an *Offer*.

YOUR NICHE

Locked last week — the person you serve and the problem you solve.

1 · PROMISE

The big outcome in plain language — minus the thing they dread.

2 · CONTAINER

How long it takes and the format. Finite and real.

3 · GUARANTEE

A specific backstop that removes the risk of saying yes.

4 · PILLARS

The 3–4 named parts that prove you can deliver the promise.

Your niche is **who** and **what**. Your offer is the promise you wrap around it
— and the reason they choose **you** over a chatbot.

Same agent. *Two different offers.*

Two ways to answer "what do you do?" One is a list of tasks AI now does for free.

One makes them reach for their phone.

OFFER A

"I help people buy and sell homes. I'm full-service and I work hard for my clients."

RESULT · A LIST OF TASKS AI DOES FOR FREE. PRICED LIKE EVERYONE.

OFFER B • THE WINNER

"My Sell-and-Land Plan gets empty-nesters top dollar and their next home lined up in 90 days — or I cover your first month of moving costs."

RESULT · A PROMISE, A TIMELINE, A GUARANTEE. WORTH PAYING FOR.

Same license. Same market. **Offer B names a promise, a container, and a guarantee** — the things a chatbot can't make. That's the whole game today.

Kayla's Offer.

Last week Kayla picked her lane — "The Downsizing Specialist." Watch what happens when she wraps that niche in a real offer.

01 · PROMISE

Top dollar, the right next chapter.

Sell the family home for top dollar and land somewhere smaller — without the chaos, the rush, or the fear of being stuck between two homes.

02 · CONTAINER

A 90-day downsizing journey.

Done *with* you, start to finish — from the first walkthrough to keys in the new place.

03 · GUARANTEE

Under contract in 45 days — or else.

Not under contract within 45 days at our agreed price? Kayla covers your first month of moving and storage.

04 · PILLARS

Four named parts that prove it.

The Declutter Roadmap · The Bridge Plan · Top-Dollar Prep · White-Glove Move Coordination.

Make one big *promise*.

The big outcome, in plain language — what life looks like when you're done. People buy the outcome, not the tasks.

I help [your person] achieve [the outcome they want] without [the thing they dread].

ASK YOURSELF

- What does life look like for your client when you're **done**?
- What's the **one thing they dread** most about the process?
- Can you say it without sounding like every other agent?

EXAMPLE PROMISES

- *Win the home you love without overpaying or losing to cash offers.*
- *Sell high and buy smart without the nightmare of owning two homes or none.*
- *Land the right home in 30 days without flying back and forth or guessing on neighborhoods.*

Make it *finite*.

How long does it take, and what's the format? A clear container makes the offer feel real, finite, and worth a yes. Done-for-you or done-with-you? 30 days or 90?

ASK YOURSELF

- How long does it take, **start to finish?**
- Is it **done-for-you** or **done-with-you?**
- What are the milestones along the way?

EXAMPLE CONTAINERS

- A **30-day buyer fast-track**, from strategy session to keys in hand.
- A **6-week listing launch**, from prep checklist to active on the market.
- A full **done-with-you sell-and-buy concierge**, from first call to both closings.

Make it *safe*.

A guarantee removes the risk of saying yes. The best ones are specific, tied to an outcome, and require the client to do their part.

If you [do your part] and don't [get the result] within [the timeframe], then I'll [make it right, specifically].

EXAMPLE GUARANTEES

- **Service:** miss a scheduled showing or a same-day callback, and you can cancel on the spot — no questions asked.
- **Communication:** a written update every Friday your home is on the market. Miss one and I knock \$500 off my commission.
- **Process:** not under contract in 45 days? I cover professional staging and a fresh photo shoot at my expense until it sells.

KEEP IT HONEST

Promise effort, process, or a backstop you can actually honor. Never imply a guaranteed sale price or guaranteed income — keep it specific, honest, and legal.

Prove you can *deliver*.

Pillars are the 3–4 named components that make your promise believable. Each maps to a piece of the problem — and each has a name you own.

ASK YOURSELF

- What are the **3–4 parts** every client gets?
- What piece of the problem does **each part solve**?
- If you **named each one**, what would you call it?

EXAMPLE PILLARS

- **The Money Map** — *fully pre-underwritten so your offer is as strong as cash.*
- **The Neighborhood Tour** — *the areas that fit your life before you fall for the wrong one.*
- **The Winning Offer Playbook** — *the terms that win without overpaying.*
- **The Closing Concierge** — *inspection, appraisal, and closing handled so nothing slips.*

Say your *offer* out loud.

Stack what you built today into one sentence you can say at a listing appointment, on a podcast, or to your sphere — and watch it land.

I help [your person] [achieve the promise] in [your container] — and if it doesn't work, [your guarantee]. It runs on [your pillars].

DO THIS TODAY

Lock your **Promise** · **Container** · **Guarantee** · **Pillars** in the workbook before you close your laptop. Bring your offer next Wednesday — **then we build the Mechanism that proves why it works.**

THE POSITIONING SERIES · WEEK 3 OF 3

Build Your *Mechanism*.

Wed Oct 14 · 10 AM CT. The six-line story that explains why everything they've tried has failed — and why your Mechanism is different. Bring your Offer.
