 3.5% LISTING SIGNED

Melissa

MONDAY • CLARA CONNECTION

Lead came from a Clara connection she made *a few weeks ago*. The harvest came from the seed.

What's moving in AI.

AI NEWS

91% of real estate agents are invisible to AI search.

FlyDragon's 2026 benchmark report: buyer agent-research traffic to AI tools jumped from 17% to 67% in 18 months. Zillow's discovery share fell for the first time ever. AI-sourced leads close at 70% in 30 days vs 2.4% for Zillow Premier Agent – a 4.2x advantage. **This is the room we're playing in.**

Success is like watering a plant. A flood once in a while won't help it grow, but a steady trickle every day will.

ALEX HORMOZI

Why this matters this week. Melissa's 3.5% listing didn't happen Monday. It happened weeks ago, in a Clara conversation she almost didn't have. **Small wins stacked daily** are how the Cirql compounds. Run your agents. Show up Wednesdays. The harvest comes from the trickle, not the flood.

THIS WEEK'S LESSON

The Daily Deposit.

Most agents know SOI works. This lesson is about why they quit before it does, and what the ones with predictable referral businesses actually do differently.

01

STEP ONE

Why Daily Beats Weekly.

02

STEP TWO

What 10 Minutes Actually Looks Like.

03

STEP THREE

Habit Stacking: Find Your Anchor.

"You must first become consistent before you can become exceptional. The most important success principle is consistency. Being able to keep doing the same thing day after day without immediate satisfaction."

ALEX HORMOZI

The agents with referral businesses aren't more talented. They're just more **consistent**. Show up daily, for long enough, and the referrals become inevitable. That's what we're building today.

STEP 01 · THE DAILY DEPOSIT

Why Daily Beats Weekly.

The industry does 4 touches a year. Clara does 16. The difference isn't volume. It's frequency of presence.

4x

INDUSTRY STANDARD

A quarterly check-in. Maybe a birthday text. Just enough to be forgotten.

16x

CLARA · ALWAYS-ON

12-week repeating cycle. Text, email, call, DM. Consistent presence across every medium that matters.

16 touches a year, spread across varying mediums, creates presence. Presence creates trust. Trust creates referrals. Consistency, not talent, is the only thing that separates the referral agent from everyone else.

STEP 02 · THE DAILY DEPOSIT

What 10 Minutes Actually Looks Like.

This is not a lead generation strategy. It's a relationship practice. And like any practice, the work is in showing up.

01

Show up before you feel like it.

The hardest day to open Clara is the first day you don't feel like it. That's the most important day. The habit is built in the friction, not the flow.

02

Check in. Don't pitch.

Every touch is a deposit, not a withdrawal. A friend checking on a friend. No asks, no updates, no listings. Just presence. The real estate comes later, when they're ready.

03

Trust the compound effect.

Most agents quit at month 3. The conversations start in month 1. The referrals come in month 6. Consistency isn't about results today. It's about building something that pays forever.

STEP 03 · THE DAILY DEPOSIT

Habit Stacking: Find Your Anchor.

You don't build a new habit from scratch. You attach it to something you already do every single day without thinking.

**Morning coffee before the house wakes up**

10 minutes, phone in hand, before anyone needs anything from you.

**Sitting in your car before walking into the office**

You're already there. The door can wait 10 minutes.

**Waiting for your first appointment of the day**

Dead time turned into relationship deposits. Best trade of the week.

**Winding down after your last showing**

The day's already done. Close it out by building tomorrow's pipeline.

THE FORMULA

After *[your anchor habit]*, I will open Clara and complete my touches EVERY DAY. Clara already knows who to reach out to and what to say. My job is to review and click send.

DO THIS TODAY

Name your *anchor*. Write it down before you leave this call.

Pick the one thing you already do every single day without fail. That's where your Clara time lives. Tomorrow morning, when that moment comes, **open Clara instead of Instagram**. Ten minutes. Done.
