— WIN OF THE WEEK —

Wins.

 3.5% LISTING SIGNED

Melissa

MONDAY • CLARA CONNECTION

Lead came from a Clara connection she made *a few weeks ago*. The harvest came from the seed.

What's moving in AI.

AI NEWS

91% of real estate agents are invisible to AI search.

FlyDragon's 2026 benchmark report: buyer agent-research traffic to AI tools jumped from 17% to 67% in 18 months. Zillow's discovery share fell for the first time ever. AI-sourced leads close at 70% in 30 days vs 2.4% for Zillow Premier Agent – a 4.2x advantage. **This is the room we're playing in.**

Success is like watering a plant. A flood once in a while won't help it grow, but a steady trickle every day will.

— ALEX HORMOZI

Why this matters this week. Melissa's 3.5% listing didn't happen Monday – it happened weeks ago, in a Clara conversation she almost didn't have. **Small wins stacked daily** are how the Cirql compounds. Run your agents. Show up Wednesdays. The harvest comes from the trickle, not the flood.
