AI NEWS

Google Business Profile is now the #1 ranking lever.

Whitespark's new **2026 Local Search Ranking Factors** survey put hard numbers on it: your Google Business Profile drives **32% of local search ranking**, the single heaviest factor, ahead of reviews (20%) and your website (15%). **Eight of the top ten** ranking signals live inside GBP, and it's the same profile Google hands to its AI answers.

WEEK 05

— THE FRAMEWORK —

Five places AI *looks for you.*

C • CLAIM

Your positioning statement: the exact words AI repeats about you.

I • INDEX

Your Zillow profile: a live signal feeding ChatGPT.

T • TRUST

Your Realtor.com profile: the cross-check on your credibility.

E • ENTITY

Your Google Business Profile: the most-trusted entity source.

D • DOMAIN

Your personal landing page: the one source you actually own.

This week we work the **E**: your **Google Business Profile**.

Are you real to *the machine*?

Before AI recommends you it asks a colder question first: is this a real, verified, currently-operating professional? Google Business Profile is where it looks.

THE GHOST

No GBP, or an unverified one with no category, no hours, no reviews since 2023.

RESULT · AI CANNOT VERIFY YOU EXIST, SO YOU ARE NOT IN THE ANSWER.

THE ENTITY · THE WINNER

Verified profile, Real Estate Agent category, Claim in the description, Google reviews landing monthly.

RESULT · GOOGLE VOUCHES FOR YOU, AND AI TREATS IT AS GROUND TRUTH.

Zillow says what you do. Realtor.com backs it up. **Google proves you are real.** Miss the Entity layer and the other signals float unanchored. That is the whole game today.

Ground *truth*.

Entity means Google can hand AI a verified record of you: right category, right markets, your Claim in the description, and live reviews.

WHY GBP IS THE E

- Google's knowledge graph is what **every AI cross-references**.
- Verification is a **hard trust signal**.
- Google reviews rank in **AI answers directly**.

WHAT ENTITY LOOKS LIKE

- Set up as a **Service Area Business**: markets listed, address hidden.
- Primary category **Real Estate Agent**, name as **Brokerage: Your Name**.
- Description opens with **your Claim**.

Kayla's **GBP.**

Here is Kayla's Google Business Profile after the Entity pass.

Verified as a **Service Area Business, address hidden**. Category: **Real Estate Agent**. Service area: the north metro. Description opens with her **Claim, verbatim**. Six Google reviews this quarter, and two of them mention **downsizing** by name.

WHY IT WORKS

When ChatGPT checks Google, it finds a verified entity whose description and reviews **repeat the same Claim the portals made**. Four sources, zero contradictions.

THIS WEEK'S MOVES

TEACHING 4 OF 5

Verify it. Load it. *Fuel it.*

Same rhythm, biggest lever. If you only fully finish one CITED week, make it this one.

SET UP RIGHT, THEN VERIFY

- Verify at your **real address** (usually home), then **hide it** and list your markets. Never the **brokerage or a virtual office**: that is the top suspension trigger.
- Verification is now a **live 30-second video** in the Google Maps app: a street sign near you, your business cards, a doc with your name.
- Primary category **Real Estate Agent**, Claim in the description, a few recent photos.

THE GOOGLE REVIEW ASK

- Ask **every** past client, not just the happy ones. Honest feedback only, and **don't tell them what to write**.
- Send the **direct review link**, not just the profile.
- Stagger the asks: **one today, one Friday**.

RECENCY ENGINE

From here on, **one Google review ask per week** is part of your rhythm. Steady beats burst: AI reads the trickle as a living business.

The entity, *anchored*.

Before next Wednesday: verified GBP, Claim loaded, two review asks out.

Checklist: *[Verified SAB, address hidden]* · *[Claim in description]* · *[2 review asks sent]*

DO THIS TODAY

Start verification today (the video review can take days, so do not wait). Progress screenshot to YourInnerCirql.com. **Next Wednesday: your own site.**

Week 5: Domain.

— THE CITED SERIES • WEEK 5 OF 5 —

Own Your *Domain.*

Wed Jul 29 • 10 AM CT. The finale: your personal landing page, the one source you fully control. Your Claim as the headline, wired so every profile points home.

Workshop.
